

Refer a Friend Program

At Paw Prints Veterinary Hospital we greatly appreciate the confidence you have placed in us to help care for your animal companions. We recognize that the greatest compliment a client can give us is by referring a family member, friend or co-worker to us.

When you refer your friends to Paw Prints Veterinary Hospital, you help us grow our client base so that we can continue to invest in state of the art medicine/technology and staff education, which helps us maintain the highest standard of care for each of our patients.

We want to thank you for your confidence in us by applying \$25.00 exam fee credit on your account for each new client you send us and their new client exam fee will only be \$25.00!

To make sure you get the credit you deserve when referring a friend, simply print out this page and fill out the form at the bottom and give it to the person you are referring to return to the office on their first visit. We will take care of the rest!

Welcome to Paw Prints!

Enjoy \$25.00 off your Exam fee during your first visit to Paw Prints Veterinary Hospital. We are excited to meet you and provide your pet with the highest quality care in the area!
